Class Placement

Placement of students is made according to training, age, ability, and effort. The ages listed on the [Class Schedule](#) are for guidance only. Promotion is considered on the basis of individual achievement. Classes are not necessarily promoted as groups. Generally, ballet students are not put on pointe shoes unless they are at least 10 years of age and have had at least three years of Ballet training.

Parent Watch Week

Please note that the parent watch weeks are made available for the convenience of our students and their families. The parent watch weeks are for watching and videotaping. The studio publishes a list of [Parent Watch Weeks](#) to our website for each dance season. We ask that you please respect the activities of others and the classes in session. Your courtesy is greatly appreciated.

Intramural Summer Season and Mini Session

The intramural summer season and mini sessions are an abbreviated dance program. These programs are designed for the young recreational dancer and families who are looking to try a dance program or new dance style. These programs focus on giving students exposure to dance. Our regular dance season is for your child to have greater mastery in dance technique(s).

Annual JILLIAN'S Holiday Show and Recital

Our Annual Holiday Show is typically the beginning of December and our Recital is typically mid-May. Look for more information on our website throughout the Dance Season.

Annual Fundraiser

Jillian's Dance & Fitness Studio will be participating in the Gertrude Hawk Chocolates Fundraiser. This is a wonderful opportunity for parents and families to earn money for their Dance Recital expenses. Fundraising catalogs are distributed during class. Families earn 50% profit from all sales guaranteed. All profits will be applied towards your [customer account](#). Make checks payable to Jillian's Dance & Fitness Studio.
